

# ***Big Dee's Bonus Bucks Sign Up Today***

Support Your Favorite Equine Club or Organization while you shop!  
Help your favorite club or organization earn valuable Bonus Bucks to be used on products or gift certificates for their next show or event!

## **This is how it works:**

- Your club fills out an application in our store, and provides us with a mailing list of club members so we can notify them that their club has signed up and they are eligible to participate.
- We will give your club a code and any member of the club can ask that their purchases go toward the clubs accumulation of points.
- 5% of your club members participating purchases will be accumulated for your club to use toward the purchase of merchandise or Gift Certificates!
- Club points will be paid out a quarterly basis.
- Good for in-store and on-line purchases only. Any phone in orders or purchases off premises will not be included.
- Your Club may add additional participants as you like. They can just tell us the club name at the time of purchase for the points to start adding up. Points will accumulate on current purchases only. We will not make any previous purchases apply toward club points.
- Program applies to retail customers only. Employees not eligible.
- We reserve the right to change the rules and benefits of the program as necessary.

Ask a sales associate for all the details!

This is a **Win Win** Situation. There is not cost to join and your Club or Organization can start benefiting immediately!
